THIOKOL HISTORY-COMMUNITY AWARENESS DAY 02-04.17

Marked the long awaited opening of the Thiokol Memorial Museum dedicated to the remembrance of the Thiokol Plant Explosion and 29 Patriots that perished. There are eight exhibits within the museum: Chronicle, Faces of Patriotism, Commitment, Spirit, Honor, Courage, Unity and Compassion. Each one tells a story within itself. The Thiokol Plant Workers along with our volunteers did an outstanding job gathering information, photos, artifacts and documents to build the Thiokol Memorial Museum.

This Museum is a living organ and we are continuing to collect artifacts. This will further our progression to a future Thiokol Memorial National Park Museum. This Museum provides a glimpse of the Vision for the Future.

Camden County High School Advance Drama Students performed an Oral History skit based on interviews conducted with Plant Workers and First Responders. Praise dancers "God's Image" performed and Mr. Jim Banks and Mr. Leroy Holmes were on the grill serving up Pulled Pork, Hot Dogs and grilled Chicken served with Potato Salad.

Bi-monthly meetings are held the 1st and 3rd Thursday of each month at 6:30 PM. Please join us at:
