JULY 2017 VOLUME 10 ISSUE 1

HARVEST CHRISTIAN ACADEMY TOUR

This past month we welcomed the students of Harvest Christian Academy to our Museum. It was an opportunity for us to share the history of our Patriots and Heroes and hopefully for the children to gain a sense of empowerment and inspiration from their lives. Their little eyes were filled with curiosity and hope. Meeting these future leaders of the free world has reenergized our efforts to move forward with vigor and purpose. Their questions made us aware that we had engaged their minds and they were eager to learn more about the history. To see them become educated about something they never knew was fascinating. We are grateful for the opportunity of depicting and sharing the omitted history and legacy of the Thiokol ERA.

INDEPENDENCE DAY

The 4th of July is celebrated with barbecues, fireworks, family reunions, and parades just to name a few things we do to commemorate our National Day. Our Independence and Freedom have both been cherished attributes of being an American for 241 years. These rights have been guarded and secured through the courage, service, and sacrifice of many. This Independence Day's let us be grateful for our many blessings.
