PRESIDENTIAL MEDAL OF FREEDOM

The Presidential Medal of Freedom Petition closed on-line on August 5th. As we had hoped for bigger numbers, we did reach the 100,000 required signatures to get the petition to the President's Desk for consideration.

But, we are not giving up the fight. We know what we need to do, so as our CEO says, "DON'T TALK ABOUT, BE ABOUT IT". Write President Barack Obama and express your support for recognizing the contribution and sacrifice of our 29 Patriots. Let the President hear from you, your personal support for awarding the Presidential Medal of Freedom. You can email President Obama at <http://www.whitehouse.gov/contact>

If you are writing a letter, consider using 8 ½ by 11-inch sheet of paper and black or blue pen. Write as neatly as possible. Include your return address on envelope and letter, if you have an email address include it on your letter as well. Mail your letter to the following address:
