Museum Expansion

We are taking two major steps in enhancing the history depicted in the museum: #1) sharing who our 29 Patriots were. To accomplish this, we encourage those that knew them best; relatives, friends, and fellow co-workers to share their treasured memories of them. We will take these cherished stories and compose an essay about their lives. Our museum is a living testament that bears witness to the lives of ordinary people that seized their newly obtained freedom and boldly moved forward in faith and trust. #2) improve the museum visitor's experience. To make our visitors' experience more engaging we are creating a virtual tour of the Thiokol Memorial Museum. This will not only provide them an overview of the exhibits' contents but, will help them discover a history that impacts our lives each and every day. Our Museum Exhibits are expanding rapidly!! Let's educate America about these citizens that forge a brighter future for us all.

Belk Charity Sale

Twice a year TMP participates in the Belk Charity Sale. It is a great opportunity for Charity Organizations such as us to raise funds for our cause. The Private Ticketed event will take place on April 29th between the hours of 6:00AM – 10:00AM. The ticket is sold for \$5 and entitles you to \$5 off your purchase. You can purchase your tickets to benefit TMP here at the office or from any of the many volunteers that will be throughout the region selling tickets on our behalf.

Jazz 'n Art Festival

We had a grand ole time at this year's annual Jazz 'n Art Festival. Our volunteers did an excellent job supplying tasty cakes and pies. They greeted visitors to our booth with a smile and shared the Thiokol History. To see the interest in the eyes of the young people as the stories of the workers and members of the community were told was moving. Thanks to everyone working together and willingness to give of themselves, it was a great success. This year's festival included a Storytelling segment. The Thiokol Story featured and was performed by Vernal Morrison. Her performance was simply beautiful and very touching.

Member of the GAMG

TMP is officially a member of the Georgia Association of Museums and Galleries (GAMG). There are many benefits of being a member of this state-wide program. As a member we are eligible to attend the annual meeting held each year in January. We are entitled to participate in the Museum Services Exchange (MUSE). This is a program available to all member museums and organizations. The added benefit of being a member is that after one-year of membership TMP will be qualified to apply for MUSE grants. GAMG professionals share their expertise in particular areas by providing consulting services. We will receive a copy of the GAMG Newsletter issued quarterly which informs members of current issues, program ideas, and grant deadlines.

2nd Annual Spring Touch-A-Truck

The 2nd Annual Spring Touch-A-Truck & Public Safety Expo is a great opportunity for the community to learn about Emergency Response. The Thiokol Memorial Museum will be open during this event on April 22rd from 10:00AM to 2:00PM. We invite everyone to visit our facility and discover little known facts about the Thiokol History. There is no admission, yet donations are welcomed.
