

Annie Loise Thomas Williams

“Grandma, Rabbit, Gege”

Seconds, Minutes, Hours
Days, Weeks, Months, Years
I can only imagine what kind of woman you were
The words you prayed for the 7 kids follows them now in their older age
A God fearing woman
A woman of Beauty
A woman of Dignity
A woman of Grace
You walked with the Lord with integrity
No matter what happened you walked with God’s love reflecting through you oh so brightly

I can only imagine the prayers you prayed for
Troy, Bettie, Deloise, Roy, David, Lucy, and Theresa
For the Lord to lead your children in his way;
Oh! Give them wisdom, Lord, and Grace for this world is wicked place
Lord teach them to do things of Christ for Holiness is the truth, light, and way!

We miss you each and everyday
God has blessed you with 11 Grands and 5 Great Grands
If our mother Bettie was anything compared to you
A phenomenal woman you were; a woman you were phenomenally

You worked oh so hard for our country making trip flares for the Thiokol Munitions Factory
That God saw fit for you to be one of the 29 Thiokol Patriots who contributed to this county
On Feb. 3, 1971 your family and this nation was touched by your departure from this world

Yes you were a Wife, Mom, Grandmother, Great Grandmother, Sister, Aunt, and Cousin
Who fought for our country and you’ll always remain on the HOMEFRONT!
