DREAMS

*"All our **Dreams** can come true if we have the courage to pursue them." Walt Disney*

DEDICATION AND HONOR

We have respectfully entered our plea to the Camden County Board of Commissioners for their support in having Georgia Interstate 95, Exit 7 dedicated to the Soldiers of the Republic our Patriots that gave the last measure of devotion to this Nation. These **30** Patriots were the Thiokol Plant Workers which perished in 1971 and 1973 while manufacturing munitions for our military during the Vietnam War. Camden County's portion of I-95 is appropriately named "Purple Heart Trail" and in keeping with that service and sacrifice we have asked that our Patriots be honored for their support of our national cause during the war.

Additionally, we have asked that Harrietta Bluff Road from Highway 17 to the gate of the former Thiokol Chemical Plant be renamed "Thiokol Memorial Parkway" in honor of the **600** Thiokol Plant Workers. The Plant Workers traveled this roadway daily fulfilling our sacred obligation to our military.

CAMDEN WORKING TOGETHER

Camden Collaborative Meeting

Camden Family Connection has successfully brought together organizations that possess a wide-cross section of missions dedicated to the health and welfare of the community. The partnership is appropriately named County Collaborative. The Camden Collaborative's motto is "...creating a better Camden through Collaboration."

Through the efforts of our partners many vital services are provided to the underserved members of the community. Camden Family Connection under the leadership of Steven Sainz and its Board of Directors provide services to parents and youth in our community. The Members of the Collaborative provide essential services filling in the gap between government agencies and responsible citizens. They strengthen and stabilize the Family Unit through education and self-awareness. Partner Membership Organizations such as Salvation Army, Chamber of Commerce, McKinney Medical Center, DFCS, CCSS Schools, Gateway, and many, many more. They meet each challenge with new innovative approaches and sometimes with just plain ordinary common-sense solutions.

TMP is honored to be a member of this hard-working earnest at heart group of professionals.
