## WELCOME ABOARD

We would like to welcome Mrs. Jeannette Roberts and Mrs. Cora Andrews aboard the Thiokol Memorial Project.

## A SPECIAL THANK YOU

The Senior Community Service Employment Program is a short-term, work-training program to prepare participants for unsubsidized employment off the program. The purpose of SCSEP is for a participant to provide community service while they actively pursue unsubsidized employment.

Legacy Link has 558 Senior Community Service Employment Program (SCSEP) participants enrolled at this time. Thiokol Memorial Project is one of its many Host Agencies.

The Legacy Link's SCSEP is funded by the Federal Department of Labor (DOL) through a contract they hold with the National Council on Aging.

The Thiokol Memorial Project would like to thank Legacy Link for partnering with us to provide training and employment.

## APPRECIATION DAY

We are planning a Thiokol Memorial Workers Appreciation Day. Tentatively it will be held at Crooked River State Park in Saint Mary's, Ga. On Saturday September 15, 2018. Please continue to follow our Facebook page for updates regarding this event.

## FINDING YOUR VOICE

*"In life, finding a voice is speaking and living the truth. Each of you is an original. Each of you has a distinctive voice. When you find it, your story will be told. You will be heard."* — John Grisham

## 2019 Commemorative Ceremony

We are proud to announce that we have reserved a venue for the 48<sup>th</sup> Anniversary Commemorative Ceremony of Patriots & Heroes.

### AN ACT OF LOVE

The heart and soul of TMP is rooted in its volunteers. Our volunteers have spent hundreds of thousands of man hours constantly working each day toward every aspect of our mission to Remember\*Honor\*.Educate. Many of them travel long distances to make certain that this effort moves forward and is successful.

Our volunteers are the very best of the best! Every task they have undertaken is an “Act of Love.” They freely give of themselves in words and deeds. Volunteerism is hard- proud work that requires a heart fortified with love.

We are proud of them and what they have been able to accomplish. They bring everything to the table when there is a task to accomplish. Their work is not done for recognition or pay; it is done because they love.

They rise to and meet every challenge head on with enthusiasm and unwavering commitment. They share their memories of this omitted history and educate the public about who our people were and the impact this disaster had on our everyday way of life.
