DEDICATION RESOLUTION

The vote was unanimous. Camden County Board of Commissioners have approved the dedication of Georgia Interstate 95 - Exit 7 Interchange in honor of the 30 Fallen Patriots killed at the Thiokol Chemical Plant. Our supporters were there to witness this historical moment in history. We appreciate the consideration and approval of the Commissioners and the continued support of the Community. Now we must move forward with raising the funds to acquire and install these Memorial signs. You can contribute by accessing our website at thiokolmemorial.org/donate.

Teamwork Made It Happen!!

Your support “Made it Happen.” Our success depends upon everyone’s support!!!

LIFE PHILOSOPHY

“The pessimist sees difficulty in every opportunity. The optimist sees the opportunity in every difficulty.”

— Winton Churchill

MUSEUM VISITORS

We have enjoyed a summer filled with visitors from all walks of life to our Museum. Families, High School Alumni, Members of the Media, Church Congregations, Youth and Civic Groups, 1971 Disaster Survivors, Military, and Veterans have all toured the museum.

It has been exciting to see the curious surprise in the eyes of our visitors as we shared with them these unknown historical facts and legacy of the Thiokol Era.

TMP BENEFIT YARD SALE

Thanks to our Supporters that donated great sale items and the work of our volunteers the benefit yard sale was a huge success. The team effort coupled with beautiful weather made it happen. The proceeds from this benefit fundraiser will help pay for the memorialization of Georgia Interstate 95- Exit 7 Interchange in honor of the 30 Fallen Patriots killed at the Thiokol Chemical Plant.

YOU ARE WELCOME!!

Everyone is welcome to attend our monthly meetings. Join in the discussion of current efforts and help our team strategize a path to success.

Join the Team!!

TMP needs your support now more than ever. Moving forward, we must reach former plant workers, survivors, family members, first responders, and supporters to continue documenting and preserving the history. This portion of the project is a vital part of the effort. The success of this project is critical for future generations. Our vision for humanity will transform our nation.

Establishing a Thiokol Memorial National Park in Camden County won't be easy, but if we all step up to do what we can, we will obtain the victory. We will need all hands on deck, and we encourage you to join the effort as a volunteer. You volunteering your spare time and joining together with our team of volunteers, we can obtain this long overdue honor and be the America our Patriots worked and sacrificed for – “A Grateful Nation.”

So whether you're able to volunteer or donate to support the cause, be that person that can make a difference. Every second of life makes up the history of tomorrow. That history is made by the people who believed, worked, contributed, and served to make progress possible.
