EVENT OF THE YEAR

Thiokol Site Workers

TMP hosted the long-awaited “Thiokol Site Social Gathering” event at Crooked River State Park. Guest in attendance came from as far away as Atlanta to be there. It is our hope that all our guest enjoyed it as much as we enjoyed sponsoring the event. Volunteers traveled from Brunswick and Waycross to support us in our effort. To our guest and our volunteers thank you for making this event an overwhelming success. It is the support of everyone that makes every success made possible.

HISTORY AND FOOD FOR THOUGHT

We are thrilled that both young and elderly attended our event. They shared they stories about living and working here at the Thiokol Site. Hearing the plant workers’ stories were moving and seeing them smile and laugh about the time they spent working together as comrades was inspirational. Our young people were amazed to learn what their jobs entailed. A lot of History was passed on during our time together.

OUR VOLUNTEERS ARE THE BEST!!

Our volunteers make it possible for us to bring recognition and honor to the people that made our lives possible. Every aspect of every event is planned and executed by them. They work tirelessly to make each event special and treasured. They make it happen, as a team. Yes, they are the best. We could never reach any of our goals without them. We are well on the way to reaching our fundraising goal to have having Georgia I-95, Exit 7 dedicated to the 30 plant workers that perished.
